Liability Statement // Criochan Fiachanais

Canoeing and kayaking are 'assumed risk water contact' sports which carry associated risks and are potentially hazardous. All members of Inverness Canoe Club (hereafter referred to as the 'club') must ensure that they are fully aware of these risks before embarking on any club activity and thereafter do so entirely at their own risk. For the duration of all club activities, each individual club member is responsible for their own actions and involvement, and for ensuring that their personal skills and experience are commensurate to the environment in which they are active; they are also responsible for the suitability and condition of all equipment they use. Neither the club, nor its office bearers, can or will accept any liability for any loss or injury, to person or possessions, sustained whilst participating in club activities.
